

## Americas Cup Port / Juan Carlos I Royal Marina

Don't leave Valencia without visiting this luxury leisure port, especially created for the 32nd Americas Cup and is also the spectacular setting of the F1 Grand Prix of Europe.

Enjoy unforgettable evenings in a unique seafront setting presided over by the majestic Vele e Vents building, an avant-gard architectural masterpiece created by David Chipperfield and Fermín Vazquez.

In the marina you can see the bases of the teams of the Americas Cup including Alinghi the winners who will bring the Americas Cup back to Valencia for the 33rd edition.

Why not indulge yourself in a sunset cruise or sailing experience on a catamaran.
